

We are proud to announce the beginning of something truly special - The Adopt-a-Healthcare-Facility Programme (ADHFP).

The launch of ADHFP is not just about celebrating a starting point for change - it's also an introduction to how much more we can accomplish with your help!

## Opening doors to better healthcare across Nigeria

partners, and adopters. We want to use it as a launchpad to revolutionise Nigeria's health sector.

Through ADHFP, we aim to establish at least one world-class primary healthcare centre (PHC) in Nigeria's 774 Local Government Areas and ensure every citizen has access to quality and affordable healthcare.

**ADHFP offers a groundbreaking solution at a grassroots level.**
