“Live life when you have it. Life is a splendid gift—there is nothing small about it.”

– Florence Nightingale

Our Vision for Nigeria

Did you know that for every 10,000 Nigerians, there are only four registered doctors? This means that many people living in Nigeria still do not have access to quality healthcare. We want to change this.

Our goal is to create a Nigeria where everyone has access to equitable and quality healthcare and wellness.

Nurses are the backbone of the healthcare system

International Nurse Day

Every year on the 12th of May, the world celebrates International Nurses Day. This date was chosen because it marks the birth of Florence Nightingale. She is regarded as the founder of modern nursing.

The theme for this year is: Nurses: A Voice to Lead – Invest in nursing and respect rights to secure global health, focusing on the need to protect, support, and invest in the nursing profession to strengthen health systems around the world.

Children's Healthcare in Nigeria

The Real Reason Why We Need to Ensure Children Have Quality Healthcare

This is not fiction. This is the reality that many Nigerians face every day. Mothers spend their days praying for their children to come home safe. They know that one bad fall from a playground can become a catastrophe.

Now, imagine how different things would be if every Nigerian had access to quality and affordable healthcare? It wouldn't solve all of our challenges, but it would be one less thing for Nigerian families to worry about.

Adopt-A-Healthcare-Facility Programme Update

Ensuring Quality Healthcare for All Nigerians

In 2020, Mr Aigboje Aig-Imoukhuede CON planted a seed that would grow to become one of the most impactful initiatives in the Nigerian health sector.

The '[Adopt-A-Healthcare-Facility-Programme](#)' (ADHFP) is driven by the belief that the African continent will continue to carry the burden of high disease mortality long after the rest of the world has overcome such challenges unless we address the poor state of healthcare systems at the primary level.
